

# prospectus

## 3 POWER Points:

### Be creative

- ◆ Draw a map of how you get from your house to school or another place nearby.
- ◆ Create a model of a favourite building in our local area, such as a shop, café or place of worship.
- ◆ Create a piece of art about a country or continent that interests you.
- ◆ Create some traditional food from a country of your choice. Yum!

### This Term's POWER Project is:

## Pioneers: mapping the journeys of explorers

## 3 POWER Points:

### Be an investigator

- ◆ Where does our food come from? Investigate and collect labels from food in your fridge or cupboards.
- ◆ Find out about a famous explorer. Where did they go? What did they discover?
- ◆ Research a country of your choice. What can you find out about it?

## 2 POWER Points:

### Be an explorer

- ◆ Go outside and choose a place to explore, such as a garden or park. What can you find? Draw pictures or take photographs to show it.
- ◆ Explore your local area. Can you spot: lampposts, street signs, a post box, a fire hydrant (H), telegraph poles, drain covers ... What will you discover?

## 2 POWER Points:

### Be a web-surfer
