

## Wylde Green Primary School

### EYFS Vocabulary and Terminology Progression

This document sets out our EYFS progression in vocabulary terminology. Their placement in this table relates to when we would expect children to understand and apply the words independently. Occasionally, pupils are exposed to language earlier than anticipated depending on their ability. It is expected that the standard key vocabulary is built upon each year while new words are taught through explicit teaching, work walls and the use of knowledge organisers/vocabulary mats.

#### Literacy

##### **Key Vocabulary: EYFS**

author, blend, blurb, cover, decode, digraph, fairy story, fiction, fluent, grapheme, high frequency words, illustrator, inference, intonation, non-fiction, phoneme, poetry, prediction, retell, segment, sense, sentence, sequence, sound, spine, split digraph, story, suffix, title, traditional tale, tricky words, tri-graph, vocabulary, word.
