

prospectus

This half term's POWER Project is:

**'The Great Fire of London:
A New London'
Please return by 23rd October 2026**

Choose projects to achieve your minimum

5 POWER Points.

By all means go over 5 points!

Tick off what you have completed to achieve your points.

Develop your creativity:

3 points

- ♦ Create a design for housing or other buildings in London
- ♦ Make a map of London
- ♦ Create a model of a building in London
- ♦ Design a new sign or LOGO for London
- ♦ Create a guide to special places in London
- ♦ Make your own bread (but remember to turn the oven off!)

Explore where you live:

3 points

How has where you live changed over time?

What significant events have happened to change where you live?

Create a scrapbook page of photos, clippings, pictures, first-hand accounts from relatives etc.

Explore your mathematical skills:

Money – 3 points

Investigate the best way for a family of 4 to visit London for a weekend

- ♦ How will you travel?
- ♦ Where will you go?
- ♦ Where will you stay?

Extend your research skills:

3 points

- ♦ Research some of the new buildings in London (e.g. The Gherkin)
- ♦ Research other key events in London, such as the 2012 Olympics.
- ♦ Research famous architects who have designed interesting buildings and structures.
