prospectus

Develop your creativity:

- Make a shoebox classroom model.
- Design/make a playground or outdoor area.
- Create/make a school badge/crest.

Extend your research skills:

- Find out information about our school.
- Find out what our school was like in the past.
- Can you talk to anyone older than you that used to come to our school? What was different? What was the same?

This half term's POWer Project is:

'All About Our School'

Last date to hand in by:

Friday 11th December 2026

Bring in POW projects to show each week.

Choose 3-4 to complete your POWer Project.

You can add your own ideas too!

Explore your mathematical skills:

- Draw a plan drawing of our primary school. Use a ruler to measure the lengths of the school that you have drawn and write in cm e.g. 5cm.
- Find out how many children come to our primary school.
- Record the school day times.

Explore your locality:

- Find out all about the local area e.g. shops, library, train station.
- Visit a local church.
- *Take photos to record your findings or trips!*
