2 POWer Points:

Research Skills…

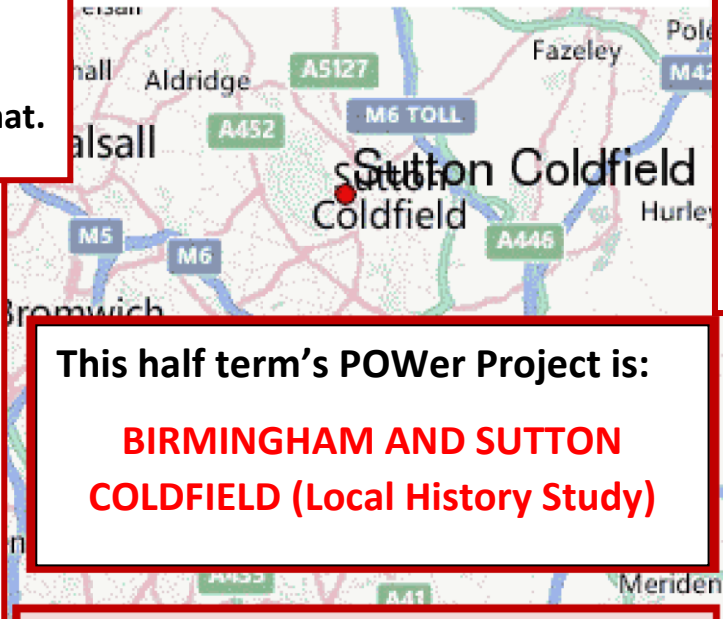

- Research Matthew Boulton, James Watt or William Murdoch and explore their impact on our railways
- Research key information about Sutton Coldfield – present in your chosen format.

3 POWer Points:

Develop your creativity…

- Design and create a model of Birmingham's canal system
- Design and create a model of Birmingham's back-to-back houses
- Create a day-in-the-life diary entry choosing one of these trades: tailor, chemist or bookseller

This half term's POWer Project is:

BIRMINGHAM AND SUTTON COLDFIELD (Local History Study)

Choose projects to achieve your 7 POWer Points.

You can add with your own ideas too!

Tick off what you have completed to achieve your points.

2 POWer Points:

Mathematical skills…

- Create a map of the local area and use coordinates or grid references to create some questions
- Create a symmetrical picture of a famous building in Sutton Coldfield or Birmingham
- Compare how prices of everyday items have changed since Victorian Britain.

1 POWer Point:

Explore…

- Explore how Birmingham's canals helped transport goods across the country
- Explore Birmingham's history as the second city.
