Poetry Competition

We have an exciting opportunity for Key Stage 2 children to enter a poetry writing competition. 'Wonderverse' is a national competition run by Young Writers encouraging children to explore their creativity, unleash their imaginations and express themselves through poetry.

We are inviting children in Years 3, 4, 5 and 6 to write a poem about any topic of their choice (nature, emotions, family, imaginary world) and in any poetry style they wish (acrostic, free verse, riddle, Kenning).

All children that enter the competition will receive a certificate, bookmark and sticker. The competition also offers the opportunity for national winners to be chosen for publication in a book. The top 5 writers across all entries will win a 'goody bag' and there are also amazing prizes for winning schools including a poetry book bundle.

Litter Picking

Thank you to our team of litter pickers who have for the past few weeks have collected litter around our school and the community. When we are out collecting, we have received appreciation from lots of local residents.

Alexandra, Hazel and Grace are members of our cleanup team.

School Lunch Orders

Just a reminder to pre-order your child's lunch if your child has a school lunch in order to avoid disappointment. Recently we have had quite a number of children who have not had pre-ordered lunches and consequently they have not enjoyed their first choice on the day. You can order lunches for the week or for the whole of the half term.

Parking Concerns

Please can parents avoid parking in front of local residents' drives. We have received a number of complaints about inconsiderate parking and inappropriate comments to some of our local residents. Thank you to the vast majority of you, who park considerately.

Crossing Warden

Please be aware that Wendy, our school crossing warden, will not be with us for a further two weeks. Unfortunately, the Council are unable to provide a replacement for this time.
