April 2026

## Welcome Back!

The term is packed with exciting events and opportunities. There is so much to look forward to. As well as our wonderful visits that have already started this week, we have some standout events to look forward to:

- Performances from Year 2
- Our special Year 6 Leavers' Assembly during the final week of term
- Boreatton Park Residential for Year 6 pupils
- Sports Day - Always a highlight of the year!
- The Summer Fayre

Year 6 have completed a practice SATs week this week and the staff are very proud of all of the children. They have been working extremely hard in their preparation for their tests beginning 11th May.

Wishing you all a fantastic summer term ahead!

## Class Dojo

# ClassDojo

A reminder that our new school information sharing platform is ClassDojo. You should have received an invite into the ClassDojo this week. If you have not received the letter with the invitation, please contact the school office. We shall no longer be using X (Twitter) as a means of communicating what is happening within school.

## Explorer's Village

This half term Reception are learning about people who help us. As a stunning starter to this topic we had Explorer's Village visit school. The children had the opportunity to role play as some of these community helpers. They pretended to work in a vet's practice, police station, bakery, construction site, fire station, doctor's office and a home. They had a fantastic time and loved pretending to be different people. Here are what some of the children said was their favourite part of the play village:

- 'Beeping the horn in the police car' - MH
- 'Playing with all of the cars and the book corner' - OD
- 'I loved dressing up as a police man and going in the car' - CB
- 'The home corner because there were babies and I was feeding them' - EO
- 'I was the vet and helped the animals' - SW

## Eggs in Reception

As part of Reception's 'Understanding the World' curriculum, we are very lucky to have the opportunity to care for some eggs in our classrooms.

What do you think will hatch out of the eggs?

The eggs have been delivered to school and we are very excited about caring for them and watching to see what happens next!

The eggs are due to hatch around Tuesday 12th and Wednesday 13th May.

We look forward to sharing this wonderful experience with you all and having a truly 'cracking' time!

## Walk to School Week

We are excited to be promoting Walk to School Week from 18th to 22nd May. This year's theme, Mission Move, encourages pupils to walk, wheel, or scoot to school wherever possible.

Throughout the week, children will explore the many benefits of regular physical activity, including how it can improve mental health and overall wellbeing. Walking to school also helps strengthen our sense of community, giving pupils a chance to connect with friends and enjoy their journey together.

In addition, pupils will take part in a class assembly focused on road safety and sustainability, helping them understand how their daily choices can have a positive impact on both their safety and the environment.

## Focus on Manners

As part of our School Improvement Plan, we are focusing on improving manners and respect for others. This is a whole school focus.

1. Saying please and thank you
2. Opening doors for others and smiling
3. Saying excuse me and I am sorry
4. Using polite conversation starters

Please praise your child if they demonstrate these skills at home. We want children to recognise that we all value manners, politeness and kindness.

## A Message from the PTFA

Dear Parents,  
A team from Wylde Green Primary have signed up to participate in the Sutton Coldfield Fun Run taking place on Sunday 31st May to help raise funds for new essential recreational and sports equipment for the school. If you can, please support them via:

## Setting Parental Safeguards

### Setting parental safeguards on your child's devices

If you're viewing this on a screen, tap (or click) the appropriate icon below.  
If you're looking at this on paper, point your phone's camera at the appropriate QR code and tap the link that appears.  
Follow the instructions on the website exactly, in particular setting the age of the child.  
We recommend you set the device not to allow any apps or games to be installed without your permission.  
Protect your settings with a strong password that is not known to the child.
